## The Atrium

The centrepiece of West Hotel, the stunning open air atrium with luscious foliage and sparkling festoon lights, creates a relaxed oasis. With seamless indoor/outdoor flow from Solander Dining and Bar, this space has access to the indoors. It is a rejuvenating and beautiful open-air space where guests can enjoy a sit down dinner, stand up cocktails or a private ceremony or presentation.

## Solander Dining and Bar

This bar and restaurant is all about botanicals. Its name was taken in homage to Daniel Solander, a naturalist who traveled on the Endeavour in 1768 to help document Australia's plant life. Overlooking Sussex Street to the East and the lush atrium garden to the West, Solander Dining offers modern Australian fare, and food philosophy to embrace and support the very best regional and seasonal produce from sustainable sources that New South Wales has to offer.

Solander Bar's extensive drinks list includes bespoke botanical-inspired cocktails, non-alcoholic cocktails and a range of boutique Australian and international spirits, wines and craft beers.

The space is sophisticated, intimate and striking making it a unique and memorable venue for a celebration lunch or dinner for up to 80 or an office cocktail party of up to 120.

Floors are a distinctive, green and white geometric marble design that offset the plush dining chairs made of rich jewel-toned velvets, tables of warm hardwoods, and brass light fixtures. The bar is a centrepiece, made of one monolithic piece of green terrazzo, with an eye-catching backlit bar and a lush green foliage display above. Both the bar and dining room enjoy views and direct access into the atrium.
